SOURCE

1. Two single-engine low-wing monoplanes were observed at the CHEB-HOR. SCHOEN (N 51/P 37) airfield between 7 and 10 a.m. One of these planes took off at 8:15 a.m. heading northeast. Gasoline drums were unloaded from a truck beside the remaining plane at 8:30 a.m. The airfield was apparently unguarded.

2. The former aircraft plant has not been rebuilt.

25X1

Comment: The reported occupation of the CHEB-HOR. SCHOEN airfield by individual fighters was confirmed
